FUTURE

And I won't wake up,
with no future,
with no reason to get up in the morning.
(x2)

PARANOIA

Y me junto con paranoia. (x4)
Sé lo que es saber sentir, se entiende.
When everyone believes. (x2)

WATCH ME

Watch me, (x3)
sleep alone tonight.

Watch me when I sleep, I sleep with you.
When you go to bed I feel so new.
If I see you drink black coffee, there better be one for me.

Watch me. (x2)
I said watch me.
Sleep alone tonight.

And I feel like I'm not alone.
And I feel like broken bones.
Sometimes I've got no place to go.
And I feel like I'm broken, I'm broken bones.

NIEVE NIEVE

I wake up, with no peace in my head.
I go to bed, with no room in my brain.
And I won't be afraid of what's coming. (x2)

INYECTEN

Inyecten.

Inyéctenme algo a la vena ya.

Algo a la vena ya.

Me estoy muriendo.

Me estoy muriendo por mi sinceridad,
por mi manera de amar.

Ya no.

Agarren y lleven todo lo que puedan cargar.

Yo ya no estaré acá.

Mi casa y mis recuerdos, quédate con mi cerebro, no lo quiero.

STANDBY

Lose my body, lost my soul.

Where will I go?

Lost my family, I lost my home.

Where will I go?

See you everyday when you're walking down the street.

Think I know by now that you got something to hate.

Four and four is eight and eight and eight sixteen.

I know I'll see you at the end of your pipeline dream.

Now standby!

THE YOUTH

The youth is with me I can feel it,
with arms wide open at the ceiling.

SOLARA

I said: "What's happening."

You said: "Everything."

I'm as deep as the ocean, a guilty plea.

Walking as a stray means nothing to me.

At the cost of nothing I will take everything.

Bury it all down and join the machine.

You can't see me. (x4)

Solara. (x2)
